VISITORS & PHONE CALL PARENTS/GUARDIANS

Having your kids away from home can make even the calmest person nervous. That is why we have pre-screened and trained all staff and personnel to handle any situation that may arise. Since camp is only a few day, please use wisdom when attempting to call your child, or when coming to visit. This often causes homesickness. All visitor must check in at the camp office and will be asked to leave after evening service. You can be assured that if a problem occurs we will contact you immediately. In case of emergency call the State Office, 402.330.4744.
